

Report of the 2nd Task Force Meeting

Motel Vardar, Gevgelija

10:45 Kick off of the meeting

- Welcome Speech by Risto Atanasovski

Main Presentation - Christina Georgakopoulou

10:52 Project Deliverables

WP1 - 10:55

- E-mail Group Quality Board - it was concluded that the LB will make an email group with Quality board members representing all beneficiaries for better communication. We are awaiting all partners to define their QB members before creating the e-mail group.
- PB4 Ministry of Health has a problem with approval of procedures from the minister due to the upcoming elections.
- PB3, PB4, PB5 should assign a member so the Quality Board will be ready by the end of April.
- The 2nd Progress Report should be delivered to the LB until the 10th of July, so that it can be reviewed and corrected and then made into 1 final report to be submitted until the 31st of July to the JS.

WP2 - 11:15

- There is a delay with the tender for the Promotional Material - it is concluded that the blueprints will be sent by the LB in the next 10 days
- PCP plan – It is ready by the LB, but there is a delay in its translation by PB4 (has problem with the signature of the Minister of health).

WP4 - 11:25

- There is a problem/delay with the technical specification in the tender for external contractor that will be responsible for the implementation of the Educational Program and other services. There were a lot of suggestions put to the table to resolve the issue, however, the Tender was finally published by PB2 the same day (27-03-2019).

11:35 - 11:45 Coffee Break

11:45 Planned Activities

- It is concluded that the Ex-ante evaluation according to the Code of Ethics will be shifted to May and the Mid-term evaluation will be shifted to October. This modification occurred because the Quality Board is not created yet.

WP2 - 11:53

- It was concluded that the Info days will be held in May and June.
- It was also concluded that the brochures and Materials will be ready until 10th of April.

WP3 - 12:00

- Regarding the Mapping of needs it was concluded that for the LB the delivery will be shifted to June. PB4 has already started with the mapping.
It was concluded that there should be one common study for LB and PB4. Regarding that LB should send template and table of contents of the study to PB4 so the studies are approximately comparable for the 2 regions and eventually unified.

WP5 - 12:14

- All the project partners should send their internal project management staff teams to Christina.
- PB4 should send a letter to LB with all the problems regarding their procurements so LB can send a formal letter to PB4 and speed up things with the Minister of Health.
- LB has signed external services for D5.1, D5.1, D5.3.

WP6 - 12:25

- PB3 will publish a tender for procurement of Mobile Unit in May and it is expected to sign the purchase contract in September so the Mobile Unit will be delivered not later than January.
- PB5 will publish the tender in the following days and it is expected to purchase their equipment in June.

Health Info

- PB6 will publish the tender in the following days and it is expected to purchase their equipment in June.
- It is concluded that all partners should send the tender documentation to LB.

12:40 Milestones

- Milestones are already been discussed and set during the previous minutes of the meeting.

12:43 Procurement Plan

- It was concluded that all beneficiaries have changed their official Procurement Plans so they should send their updated versions to LB.

13:05 Expenses

- All beneficiaries except PB6 have stated the amount of expenses they had so far.
- It is concluded that the remaining budgets of the first money transfer should be spent in the following days and Auditors should be hired to review the expenses

13:20 Lunch

Gevgelija, 27.03.2019

B. Milestones

MILESTONES

1st year of Implementation

- ✓ **Organization of KoM in Thessaloniki (4th month)**
 - ✓ *D1.1.2 – Task Force Meetings*
 - ✓ 31-10-2018
- **Evaluation (6th month & 7th month)**
 - *D1.1.4 - Evaluation*
 - ✓ Drafting of "Guidelines for the operation of the partnership – Code of Ethics" (6th month)
 - Ex ante evaluation (8th month)
- **Development of the project's Site (6th month)**
 - *D2.1.4 – Promotion through Internet & Media*
 - *LB's technical staff will develop this site that will provide information about the Project, its progress, deliverables and results. The Project Site will be developed according to Standard WCAG 2.0, AA (accessible from all).*

MILESTONES

1st year of Implementation

- ✓ **Project's Communication Plan (7th month)**
 - ✓ *D2.1.5 – Project Communication Strategy & Plan*
 - ✓ *A Project Communication plan will be drafted in the English language.*
- **Mapping of needs, infrastructures & resources (10th month)**
 - *D3.1.1 - Mapping of needs, infrastructures & resources*
 - *The main objective of this task is to support decision-making by assessing the healthcare needs of the population living across borders, the available to them infrastructures and the resources they use. Special focus will be given to the most vulnerable groups of this population, such as children and elderly women.*
- **Organization of Educational Cycle (5-12th month)**
 - D4.1.2 – Educational Program for Local Doctors*
 - *Organization of 8 Educational Seminars*
 - *PM (EOYYY) will present all the EOPYY's information systems and he will highlight the linking of existing systems with the new electronic platform (WP5).*

MILESTONES

1st year of Implementation

- **Draft a Study (10th month)**
 - *D5.1.1 – Existing Condition Assessment and Necessity –Implementation Study*
 - *Draft an Analysis and Design Study of the Single Data Platform Software Health Insurance File.*
 - *Operating rules & design of functional testing software*
 - *Design of Load Strength Software*
 - *Transition data from existing systems/ Interfunctionality*
- **Equipment (10th month)**
 - *D5.1.2 – Supply of required supporting equipment*
 - *In order for the platform to be functional and its content visible and accessible to users via the Internet, EOPYY should provide specialized equipment.*

C. Procurement Plans
